Dear Mr Rama Rao,

Please refer to the correspondence ending with your official letter 11608/644 & P 413 re the removal of the Lloyd classes from the Lesharn Hall to the Govt High School

It is not clear from the correspondence whether the Lloyd classes have been moved to the Govt High School or are still in the Lesharn Hall but in another connection, proposals re the Mechanical Engineering School I believe a statement is made that the School may be started for the present in the Lesharn Hall, implying that the Hall is no longer need for the Lloyd classes

Will you kindly let me know the exact situation at present?

Yours sincerely
